

### **Target Audience**

This educational initiative is intended for Nurse Practitioners, Nurses, Primary Care Physicians and Physician assistants.

### **Learning Objectives**

Upon completion of the National Nurse Practitioners Symposium, learners should be able to:

- Measure self-reported knowledge gained on selected clinical topics in primary and acute care
- Identify current approaches to client care management which affect your patient population
- Reflect upon ideas and experiences gained from other professionals involved in the delivery of patient care, healthcare policy, entrepreneurial ventures, research activities, and the future of healthcare
- Evaluate possible changes to your current practice methods and barriers to achieving those changes
