

Target Audience

This educational initiative is intended for Nurse Practitioners, Nurses, Primary Care Physicians and Physician assistants.

Learning Objectives

Upon completion of the National Nurse Practitioners Symposium, learners should be able to:

- Measure self-reported knowledge gained on selected clinical topics in primary and acute care
- Identify current approaches to client care management which affect your patient population
- Reflect upon ideas and experiences gained from other professionals involved in the delivery of patient care, healthcare policy, entrepreneurial ventures, research activities, and the future of healthcare
- Evaluate possible changes to your current practice methods and barriers to achieving those changes
